

# LEAN YELLOW BELT CERTIFICATION.

Offered by **LEAN ACADEMY SRI LANKA**

Lean management involves focused efforts to eliminate or reduce waste or non-value-adding activities in processes. Lean Academy Sri Lanka (LASL) offers this module through active involvement in dominant platform. Your participant creates constructive change in your company from end-to-end understanding and execution of lean practices.

You will develop a solid understanding of LEAN and how it is applied across a variety of process settings to increase Delivery Efficiency and Quality. You will be able to observe your processes closely to confirm that the process is aligning with required metrics.
